ABATE of Georgia

ABATE of Georgia's mission is centered on education. We preserve the freedom of the road by protecting the rights of all motorcycle riders through fair and reasonable legislation; education and public awareness.

We promote a positive public image of the motorcycle riding community. Our members are from all areas of the state, from all walks of life, who ride all makes of bikes. ABATE is not a club, it is a 501(c)(4) nonprofit educational organization. We are affiliated with national groups like the American Motorcyclist Association (AMA), the Motorcycle Riders Foundation (MRF) and the National Coalition of Motorcyclists (NCOM).

FROM THE STATE DIRECTOR

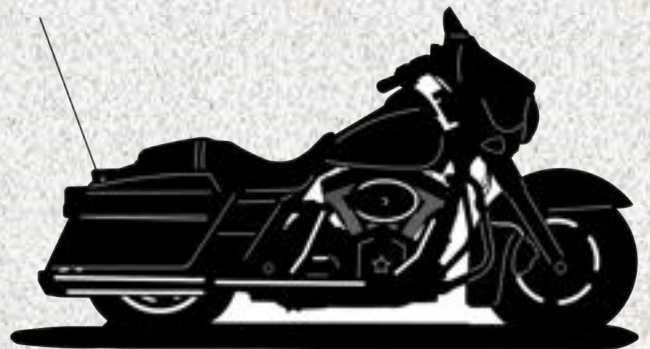

The heat is here in SE Georgia. So are the rides and Bike night. If your out and about keep your heads on a swivel. There will a lot of traffic out there. People have not understood that Georgia is a hands free state. Make sure you are visible at all times.

I want to thank everyone that came out to Silver Dollar Motorsports Park. Abate of Georgia had the state tent set-up as well as District 7. It was the AHDRA season opener. Like I said the good thing about it was we didn't spend any money. We didn't lose any and made Abate of Georgia visible to riders.

I'd like to work on membership over the next few months. If each member brought one member on board. We would double our membership to 1000 or more. I know we have hit dead-ends on events for the state. However we are working on some things for the spring 2026. Also will be working on strategy for upcoming legislation sessions. Everyone stay safe out there.

Editor's **NOTE**

Editor
Ruby Galloway

Summer is finally here, and Georgia roads are calling. With the sun high and the days long, there's no better time to embrace the thrill of riding. But as we transition into the heat of the season, safety remains just as crucial—perhaps even more so.

Riding in summer brings different challenges than spring. The pavement is warmer, meaning tires grip differently, and heat can take a toll on both machines and riders alike. Hydration is key—dehydration sneaks up quickly, leading to fatigue and slower reaction times. Make water your best friend, and take breaks when needed. Traffic is another factor. With vacationers, cyclists, and pedestrians filling the roads, extra vigilance is required. Expect unexpected lane shifts, distracted drivers, and congestion in scenic areas. Maintaining awareness and defensive riding practices is essential.

Then there's the gear. Summer riding means balancing protection with breathability. Mesh jackets, moisture-wicking layers, and well-ventilated helmets keep us safe without sacrificing comfort. Riding without proper gear may feel tempting in the heat, but remember—ATGATT (All the Gear, All the Time) isn't just a motto; it's a safeguard.

One sneaky hazard of summer riding is **road snakes**—those glossy tar strips filling cracks in the pavement. While they help prevent further road damage, they become dangerously slick under intense heat, especially when leaned over in a curve. Watch for them, adjust your line, and stay smooth on the throttle and handlebars to avoid slipping.

Before each ride, give your motorcycle a quick check. The summer sun can be unforgiving—fluids evaporate faster, batteries drain more quickly, and tire pressure fluctuates with temperature changes. A few minutes of inspection can prevent hours of trouble.

Let's make this summer a season of exhilarating rides, shared camaraderie, and above all, safety. Enjoy the open road, but never underestimate the importance of preparedness.

LEGISLATIVE

We are into the “quiet time” as the 2025 Legislative Session has come to an end. This doesn't mean, however, that *nothing* is going on; I am still making calls & requesting meetings with our Representatives and Senators. We can continue our conversations and get better prepared for the next session. This process, however, is tedious. Reaching and arranging meetings is a slow process & frequently I may have to wait months (yes, months) to arrange a face-to-face meeting in the off-season, as it were.

Just a reminder of the bills we plan to file early (hopefully earlier than we managed last session) in the upcoming session (January 2026): the two bills we are most “attached” to (our bill: Anti-profiling, and the Motorcycle Mobility Safety Act, or Dead-red bill) did not make it to the House floor this session. We will bring them back next session and with any luck they may be heard. If that becomes the case, I will provide talking points and information regarding how you can contact your Representatives to have your voice heard.

I will continue to campaign for a hearing in the Public Safety & Homeland Security Committee, and hopefully with the help of Representatives Adesanya & J. Ridley, I should be able to achieve that after the next session is called to order.

Regarding my physical capabilities (the recovery from my accident of 8/2024), I am no longer using a wheelchair. After surgery #7 I have graduated to a walker and am sometimes even getting around with the use of just a cane! There is still a lot of healing to do, I cannot drive yet due to the condition of my right heel/foot/ankle, but I hope to start working on that before too long and eventually get back on two wheels. One delaying factor for riding is that once my foot heals enough to bear full weight, I'll need a shoulder replacement due to the severity of the torn ligaments there. Once *that* heals, I'm motoring! Stay tuned for more updates!

RIDE WITH THE LEADERS!

Thousands of motorcyclists' rights activists have attended MRF sponsored annual regional and national workshops since 1985. These workshops provide the nuts and bolts, "user friendly" subjects and training to assist motorcyclists in defending, building, and strengthening their grassroots organizations.

Motorcycle Riders Foundation is proud to present their annual conference for politically motivated motorcyclists! Spend the weekend with some of motorcycling's most educated and dedicated activists. Learn what issues will impact bikers today and in the future!

Use the applications below to join and support the Motorcycle Riders Foundation and to pre-register for the 41st Annual Meeting of the Minds, September 25-28, 2025.
